

Nursery Operational Plan

In order for Wibli Wobli Nursery to run effectively and efficiently serve local community needs, it is important that we have an operational plan that is implemented, reviewed and revised on a regular basis. This plan is a blueprint for managing the nursery. It describes how the nursery is run and what type of service is provided. It describes the nursery service, the structure of the nursery, who is responsible and guidance on practices and procedures.

The plan is used by the nursery manager, staff, parents and outside agencies as a reference tool for general day-to-day practice and a tool against which to assess the quality of the service provided.

We will review this policy on a regular basis using reflective practice, and make and implement any necessary changes following a review.

Curriculum Plan

We follow the Curriculum for Wales Foundation Phase and will look to become an Early Years education setting once we have been operating for 12 months.

The new Curriculum for Wales has four purposes which are the shared vision and aspiration for every child as :

- ambitious, capable learners, ready to learn throughout their lives.
- enterprising, creative contributors, ready to play a full part in life and work
- ethical, informed citizens of Wales and the world
- healthy, confident individuals, ready to lead fulfilling lives as valued members of society

Central to the curriculum are also the following five developmental pathways :

- Belonging
- Communication
- Exploration
- Physical development
- Well-being

In line with the new curriculum, we support child-centred pedagogy where children are encouraged to pursue their interests and explore their natural curiosity.

The curriculum month plan takes into account the interests and pursuits of the children and can even involve the children themselves eg. by asking them in advance which topic they would like to learn about or getting them to design some of the food menu. There is plenty of flexibility so that staff can amend the activities according to the moment and the children's interests at that time. Staff are encouraged to make best use of the teachable moments that occur naturally as they observe or engage in children's play.

Children's progress and achievements are recorded and input into the nursery app so that staff and parents have a note on their file. Individual children are supported to make progress as their own pace in their preferred learning environment.

The curriculum plan along with the nursery environment both indoors and outdoors is designed to offer engaging experiences in a safe and familiar space which are hands-on, purposeful and

meaningful to each child and encourage their independence as well as offering risk, challenge and opportunities to experience success.

We continually monitor and review the effectiveness of the curriculum plan and environment and adapt accordingly.

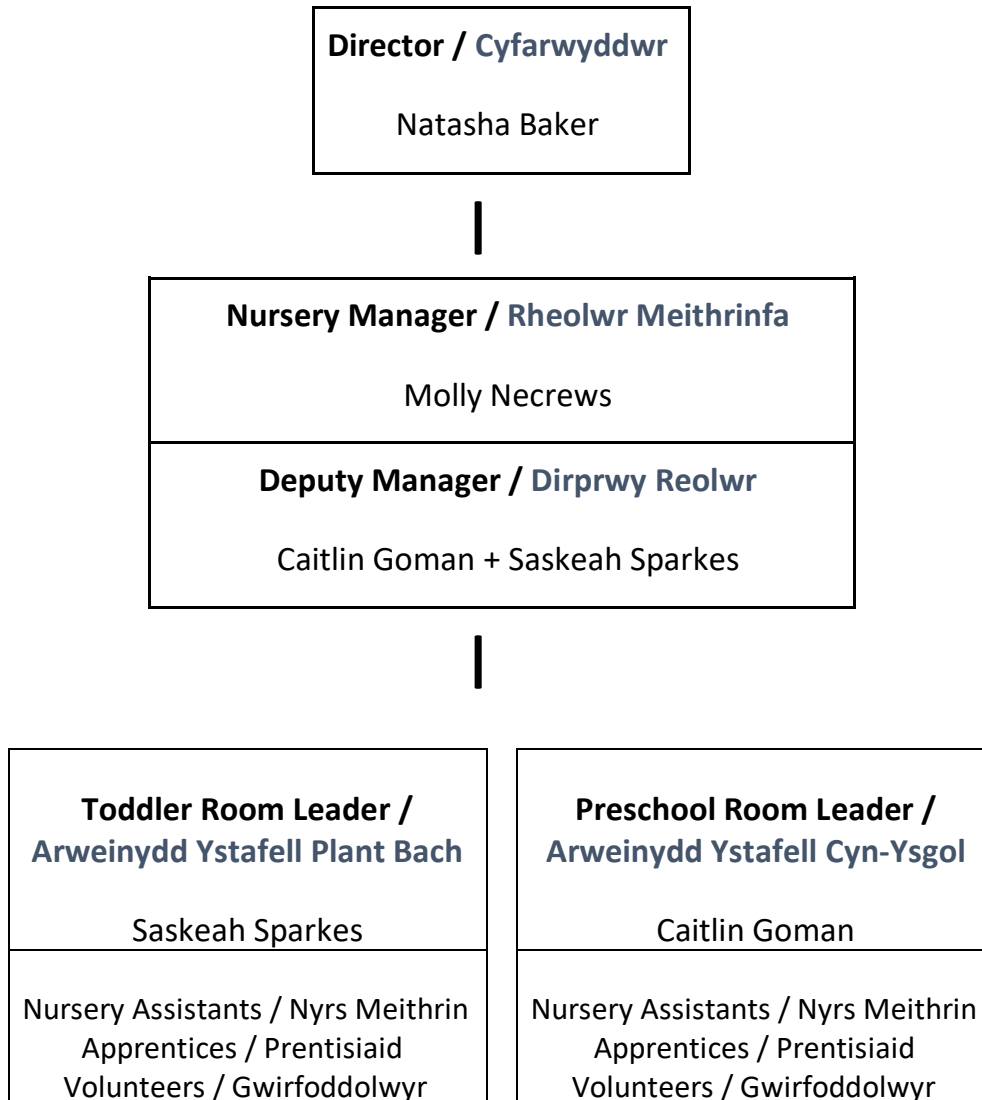

CIW Inspection Report

We have submitted an application to register the nursery with the Care Inspectorate Wales. A copy of the nursery's latest CIW report is available on <https://www.careinspectorate.wales/service-directory>.

Staff Handbook

Preface : Our philosophy is nurturing children to learn through language and play. It is our top priority to ensure excellent quality care where children, staff and parents feel valued and children

feel safe, secure and happy and healthy in both body and mind at all times whilst under our care. Our policies and procedures are designed to achieve this.

We strive to provide Equal Opportunities to all staff right from the recruitment process onwards. We expect staff to act in a professional and caring manner at all times and to behave appropriately both at work, anytime when wearing nursery uniform and outside of work. We as a nursery will treat staff fairly at all times and aim to create a productive and stimulating work environment where staff feel valued as a member of the team.

We are a Welsh medium nursery and you are expected to speak Welsh with and around the children as much as possible and to follow the Language Immersion Method. We offer training to all Second Language Welsh staff to improve and develop their Welsh language skills. Please consult our Welsh Language Policy.

We have a clear Staff Organisation Chart and Staff Communications Policy so that each member of staff knows who they are to report to and who they can approach if they have any queries or concerns.

It is important that you read and understand all our policies and procedures before starting your role at the nursery as you are expected to follow these, in particular those relating to Health and Safety and Emergencies. If at any time you are unsure how to proceed or are unclear about any aspect of any of the policies or procedures please ask your supervisor in accordance with the Staff Communications Policy.

Please also read the Health and Safety handbook and Staff Handbook and all our policies and procedures (available in hard copy at the office and on our website) carefully and sign to confirm that you have read and understood the contents. Part III – Parents

At Wibli Wobli Nursery we believe that parents and staff need to work together in a close partnership in order for children to receive the quality of care and early learning to meet their individual needs. We welcome parents as partners and support a two-way sharing of information that helps establish trust and understanding.

Before starting

Right from when the child joins the nursery we liaise with parents to obtain details about each individual child's interests and personality. The child is assigned a key worker who is the consistent point of contact with the parents. Parents are provided with a Parent Welcome Pack which contains the Written Contract Terms and Conditions, policies and procedures list and other important information about the nursery. A list of documentation is included below.

We aim to support parents and other carers to help their children settle quickly and easily by giving consideration to the individual needs and circumstances of every child and their families. Our aim is for children to feel safe, stimulated and happy in the nursery and to feel secure and comfortable with all staff. See our Settling In Policy for more details.

At Nursery

Our policies and procedures are available at all times in digital format on our website and as a hard copy in the nursery office, including our Complaints Policy. There is a private area where parents can speak confidentially with us as required. Any concerns can be raised with the key worker or with the nursery manager.

Parents are kept well informed about their children's progress through the nursery app and at the point of contact on drop off and collection. Parents are encouraged to support and share information about their children's learning and development at home. We look to provide opportunities and support for parents to contribute their own skills, knowledge and interests to nursery activities.

We support parents introducing the Welsh language at home. We will look at setting up parent Welsh language classes or hosting Clwb Cwtch sessions at the venue outside of nursery operating hours.

Feedback

We are committed to finding out the needs and expectations of parents. We will do this through regular feedback via questionnaires, parent consultations, a suggestion system and encouraging parents to review working practices. We will evaluate any responses and use these to promote nursery practice, policy and staff development.

Part IV - Procedures

At Wibli Wobli nursery we ensure that our policies and procedures are accessible and available to view both online on our website and a hard copy is available in the office. These cover all aspects of running the nursery and are expected to be followed at all times by staff, parents and visitors.

The policies and procedures are summarised and provided to all staff and parents in the form of a Staff Handbook for staff and our Parent Pack for parents and carers.

Daily Checks and Routine

Safety checks and a cleaning routine is carried out at the nursery on a daily basis. See our Safety Checks Policy and Health and Safety Policy.

The nursery carries out written risk assessments at least annually. These are regularly reviewed and cover potential risks to children, staff and visitors at the nursery. When circumstances change in the nursery, e.g. a significant piece of equipment is introduced, we review our current risk assessment or conduct a new risk assessment dependent on the nature of this change. All staff are trained in the risk assessment process to ensure understanding and compliance. More information is set out in our Risk Assessment Policy. All outings away from the nursery are individually risk assessed. For more details refer to the Visits and Outings Policy.

During the daily running of the setting, we are inclusive and non-discriminatory as per our Equal Opportunities Policy, we promote positive behaviour as per our Promoting Positive Behaviour Policy and we immerse the children in Welsh as per our Welsh Language Policy.

Children follow a daily routine and curriculum-based plan which fully complies with the New Curriculum for Wales and provides a stimulating and engaging environment for the children.

We have the following emergency policies and procedures which are regularly reviewed and are shown to all staff as part of their induction and ongoing training.

Cynllun Cwricwlwm

Rydym yn dilyn Cyfnod Sylfaen Cwricwlwm i Gymru a byddwn yn edrych i ddod yn lleoliad addysg Blynyddoedd Cynnar unwaith y byddwn wedi bod yn gweithredu am 12 mis.

Mae gan y Cwricwlwm newydd i Gymru bedwar diben sef y weledigaeth a'r dyhead a rennir ar gyfer pob plentyn fel :

- dysgwyr uchelgeisiol, galluog, sy'n barod i ddysgu gydol eu hoes.
- cyfranwyr mentrus, creadigol, sy'n barod i chwarae rhan lawn mewn bywyd a gwaith
- dinasyddion egwyddorol, gwybodus Cymru a'r byd
- unigolion iach, hyderus, sy'n barod i fyw bywydau boddhaus fel aelodau gwerthfawr o gymdeithas

Mae'r pum llwybr datblygiadol canlynol hefyd yn ganolog i'r cwricwlwm :

- Perthyn
- Cyfathrebu
- Archwilio
- Datblygiad corfforol
- Lles

Yn unol â'r cwricwla newydd, rydym yn cefnogi addysgeg sy'n canolbwyntio ar y plentyn lle caiff plant eu hannog i ddilyn eu diddordebau ac archwilio eu chwilfrydedd naturiol.

Mae'r cynllun cwricwlwm yn cymryd i ystyriaeth ddiddordebau a gweithgareddau'r plant a gall hyd yn oed gynnwys y plant eu hunain ee. trwy ofyn iddynt ymlaen llaw pa bwnc yr hoffent ddysgu amdano neu eu cael i ddylunio peth o'r fwydlen fwyd. Mae digon o hyblygrwydd fel bod staff yn gallu addasu'r gweithgareddau yn ôl y foment a diddordebau'r plant bryd hynny. Anogir staff i wneud y defnydd gorau o'r eiliadau addysgadwy sy'n digwydd yn naturiol wrth iddynt arsylwi neu gymryd rhan mewn chwarae plant.

Mae cynnydd a chyflawniadau'r plant yn cael eu cofnodi a'u mewnbynnu i ap y feithrinfa fel bod gan staff a rhieni nodyn ar eu ffeil. Mae plant unigol yn cael eu cefnogi i wneud cynnydd fel eu cyflymder eu hunain yn eu hoff amgylchedd dysgu.

Mae'r cynllun cwricwlwm ynghyd ag amgylchedd y feithrinfa dan do ac yn yr awyr agored wedi ei gynllunio i gynnig profiadau difyr mewn gofod diogel a chyfarwydd sy'n ymarferol, yn bwrpasol ac

yn ystyrlon i bob plentyn ac yn annog eu hannibyniaeth yn ogystal â chynnig risg, her a chyfleoedd i profi llwyddiant.

Rydym yn monitro ac yn adolygu effeithiolrwydd y cynllun cwricwlwm a'r amgylchedd yn barhaus ac yn addasu yn unol â hynny.
